Subject: proposed verizon tower

I am writing to voice my opposition to the proposed Verizon telephone tower to be erected in West Tisbury pond location. I own one of the oldest remaining camps on Deep Bottom pond. My family (my father is Maurice H Pease Jr. who recently passed away this Nov.) have enjoyed this pristine waterfront pond property for almost 100 years without electricity or plumbing! It seems tragic and unfortunate to set a precedent for more building and destruction of what natural areas are left on the Island.

Thank you for your attention to this matter,
Elaine H. Hughes
