Re: Objection to Proposed Verizon Cell Tower on Tisbury Great Pond in West Tisbury

Dear Mr. Foley,

There is no place like Martha's Vineyard when it comes to good stewardship of the land and quality of life. For 43 years our family has been spending summers here; for 34 years my parents have lived on Tisbury Great Pond.

Obviously, I am against the installation of a man made "tree" that would draw your attention by rising 40-50' above the current canopy. At this height it will be seen from all points across the great pond, the town, even from the beach. The first blemish on the landscape and it will remain for all to see, forever. And for what? Verizon gets yet another cellular tower so it can complete for still more profits. What a devastating cost for everybody, except Verizon, forever.

Sincerely yours,

Ian Temple
