Dear Mr. Foley,

I live on the same road as the Doane's, out toward the Tisbury Great Pond. We canoe Town Cove often. We also live in West Tisbury because of its rural setting, which you can appreciate driving into the town from Edgartown or on Old County Road. The visual impact of an 80 foot ugly tower (looking like a phony Christmas tree) is only detrimental to the West Tisbury setting. Why are you not considering something like the DAS plan, which has little impact on the locale? I think too that the Verizon proposal should be looked at more closely with regard to its accuracy. I am hoping that you will turn it down.

Sincerely,

Marilyn Hollinshead
