Gentlemen,

I have no idea how last night's meeting went. Just in case you are still considering the proposed super store I'd like to let you know that as a frequent visitor and former homeowner in Vineyard Haven the thought of this gigantic building being one of the first things to greet the thousands of visitors to the Vineyard each year is distressing to me. It would dwarf all other buildings around it and become the focal point of arrival. I do realize that many folks arrive and leave that part of town so quickly that it may not seem to matter....but I think it does. I don't like the scope and scale of the proposal and hope you can find a way to satisfy the Stop and Shop folks and the town.

Sorry that's a hard job, thanks for doing it.

Bethany W. Mosshart

former owner 157 Lake Street  
family member of Sally Winterbottom, 141 Lake Street resident
