*Dear Mr. Foley:*

*I would like to go on record as supporting the Stop and Shop proposal that is before you tonight. The old building, in my opinion, is in need of repair, is too small and never did fit into the character of Vineyard Haven. It replaced old houses that were in sad repair. In fact I live near two sections of a house that was moved from that sight about sixty years ago!.*

*The proposal will greatly enhances the area and provide the public with a suitable place to shop it is that simple. The MVC should take into consideration that all new structures meet a reasonable standard of attractiveness at the gateway to the Island. In my humble opinion this does and should be approved by your body forthwith.*

*Respectfully submitted;*

*John S. Alley*
