Dear Mr. Foley and Mr. London,

I have had the opportunity to look at the proposed plans for a larger Stop & Shop in Vineyard Haven. And I must confess that I think the size and scale of the proposed Stop & Shop building would be appalling. Not to mention the environmental impact that it will have on our fragile waterfront. I am not opposed to Stop & Shop having a larger store, but perhaps this is not the appropriate location? The Vineyard has a longstanding tradition of pushing back with chains. In my lifetime, we've said no to Dunkin' Donuts, McDonald's, etc. And I am very proud to live in a place that does not have big box stores or a Gap on Main Street. Please ask Stop and Shop to revise or reconsider their plans.

Thank you,

Mollie Doyle
