Martha's Vineyard Commission  
Executive Director Mark London

Dear Mr. London:

We favor the proposed new Stop & Shop in Vineyard Haven.

Beginning in 1997 we summered in Vineyard Haven, then purchased our present home in town in 2003. The store as now structured clearly fails the need of residents and visitors alike, both in its inadequate aisles and limited shelf space, and in its, frankly, silly parking space hunt-and-grab contest with those who are not store patrons.

Credible Stop & Shop business practice, indeed a viable town business center, requires the fix Stop & Shop has proposed.

Sincerely,

J. Richard Spatafora
