Mr Foley,  
Please pass the following letter on to the Commissioners:

Commissioners:

I am writing to support Sam Dunn's application for a bowling alley in Oak Bluffs. I am very familiar with Mr. Dunn's development projects here in Vineyard Haven. His successful work at the Tisbury Market Place and his renovation of Woodland Market speak for themselves. They are economically viable additions to the community that are viewed by a majority of citizens as housing necessary businesses in a pleasing island aesthetic. Mr. Dunn builds good things for the island that fit in and add to our quality of life. The bowling alley will be no exception.

Sincerely,

Bill Bennett
