Mr Foley

I have sent a couple emails to J Dunn and Gail already. I will not be redundant , but will instead concur 100% with Diane's letter to you and the commission. My wife Sherry and I purchased 21 Uncas Ave in 1995 and have since retired and live there full time. Unfortunately/ fortunately we are in Florida for 2 months and unable to appear before you. I was unable to open the minutes of your meetings , but I can only imagine what changes have taken place. As Sam Dunn reminded me "he will build it because he can", I am sure his grandiose plan is still on full speed ahead.

We purchased our dream home on a beautiful island in a great town. My original opinion was OB was a people place who would always take care of their own. This venture will ruin , yes ruin, the lives of ,many of your town people. Sleep, safety, litter, property devaluation,will affect us all. I can only pray all children/ grandchildren will be safe with the parking congestion, increase of traffic and alcohol consumption.

Please reconsider this proposal. I cannot envision the forefathers of the MV commission and historical commission thinking a bar encompassing three properties would be considered a "good thing" for OB.

Our future is in your hands.

Thank you for your time

David and Sherry Harte  
21 Uncas Ave
