Please let the commission know that as a resident of Martha's Vineyard I have supported and promoted recreational facilities on the Vineyard to enhance the recreational opportunities of island residents for over 30 years. MV Ice Arena, MV indoor tennis at the airport, many boat storage and retail sales facilities and now an island developer with a proven track record of commercial developments which serve the island residents and visitors alike with clean, modern facilities is proposing to develop a virtually abandoned commercial site with a year round recreational business which will further enhance opportunities for island residents and visitors alike.

Respectfully,

John Folino 25 Old Barnes Rd Oak Bluffs, Ma 02557 508-693-1763
