To: Alex Elvin <[elvin@mvcommission.org](mailto:elvin@mvcommission.org)>; Lucy Morrison <[morrison@mvcommission.org](mailto:morrison@mvcommission.org)>;

Hi Lucy and Alex,

My staff forwarded this to me, but wanted to make sure y'all received for the public record.

Thanks,

Ben

Dear Commissioners,

As an abutter, I am writing to ask you to find that this request does not impact our community or neighborhood in any way.

I would like you to consider these points:

- 1) For those of us with medical marijuana licenses, they are the only way we can obtain our needed medication legally, given our geographical location. In order for Fine Fettle to provide this much needed service, they should be able to make a profit to keep their business viable in other ways. We should not inhibit their ability to make a profit, as well.
- 2) As an abutter, I have never witnessed the parking lot to be more than 1/3 full, since the facility opened, so I see no impact to traffic

beyond the original application .

3) This dispensary generates virtually no noise or other disturbance to the community.

4) There is much more traffic generated by other businesses in this neighborhood , i.e.,Cronigs Market, M.V. Bank, Vineyard Gardens, Conroy Apothecary, so a few more cars a couple of more hours a day would hardly be noticeable at this location.

Thank you for taking your time to consider my thoughts,

Christine Napolitan
