To Whom it May Concern,

I am writing this letter of support for the expansion project for the Vineyard Montessori School.

As a parent, we all strive to give our children the best of everything. One of the biggest challenges can be finding a school and a curriculum that fits your child. While many schools tend to be one size fits all, and while that may work for some children, it does not work for all children. Not only does the Vineyard Montessori School provide an excellent education, but they also provide my child with a safe and nurturing environment that they love to go to every day.

While the toddler and preschool needs on the island are dire, there is also a need for parents to have other options when it comes to elementary and middle school levels. I am so grateful that the Montessori school has given me that option for my son, who has been there since 2017 and is currently in 7th grade.

I wholeheartedly give my support for the plans that VMS has put forth and hope that the community can see the benefit that this will provide.

Sincerely,

Natalie Flood

VMS Parent
