Additional meetings will be held as necessary to allow further testimony, and/or address additional information from the applicant and members of the public.

All questions from the public in regard to expert testimony must be submitted in writing to Alex Elvin at elvin@mvccommission.org. Questions will then be forwarded to the expert(s) and their written responses added to the record.

Please see the DRI webpage for instructions on how to participate in the public hearing.

**Individuals or organizations may be allowed additional time at the discretion of the Chair. The Chair may also limit testimony that is irrelevant, repetitive, or otherwise inappropriate. The Hearing Administrator will alert speakers when their time has run out. These agendas are subject to adjustment by the Hearing Officer to ensure sufficient time for speakers and a complete record.*

*** Questions may be directed to any of the experts who speak. The expert will have two minutes to respond. One expert from each of the other two groups may also respond to the question and the answering expert's response, if he/she wishes, again for two 2 minutes. If an expert believes a more fulsome response is necessary, the expert may supplement his/her response in writing.*
