Subject: Support of 112 Dukes County Ave

To whom it may concern,

As the owner of 7 Oakland Ave and a secondary abutter to this project we are in full support of their project and hope the MVC approves their design ASAP.

The previous building was an eye sore in the neighborhood and the open hole is even worse.

We hope this is approved at the earliest opportunity as presented so the construction can continue and the neighborhood can continue to improve.

With total and absolute support,

JB Blau
