Mr. Elvin and Commissioners:

We write in support of the plans for the renovation and restoration of the historic Shearer Cottage ... We have been close friends with the Co-Owners, Lee Van Allen and her son Eric for many many years and know them to be intelligent, talented persons of the highest integrity who are also most trustworthy...As longtime residents of East Chop, we are very interested in real estate development in our neighborhood... We have carefully reviewed the plans for this renovation project which we believe to be totally in keeping with the historic nature of the Shearer Cottage as one might readily expect as the Co-Owners are direct generational descendants of the Shearer Cottage family founders of so long ago... We are pleased to add our support and endorsement to this project and do so without hesitation, qualification or condition and respectfully urge that your Commission grant the necessary approvals at the earliest time ... Sincerely, Jacqui and Wayne Budd
