To: Alex Elvin <elvin@mvcommission.org>;

## **To Whom It May Concern:**

**Please consider the project favorably for renovation of this place. Over the generations there have been friends of my parents and grandparents who have stayed there. Historically, many minority families could not secure reservations at other resort places on the island due to cultural restrictions. Recently, I have recommended several of my friends visiting the island for the first time to embrace the history of this place.**

**Thank you.**
