Subject: 5 Beach rd next door to Educomp Building Vineyard Haven

Dear Lucy

I am writing in reference to the DRI public zoom meeting that took place last Thursday October 7 about the proposed expansion of the Educomp brick building my neighbor.(DRI710)

I have lived next door on the third floor as a renter to Doreen Kinsman for the past 18 years. I have read the plans and the the letters. I do agree with my landlord Doreen Kinsman and I have sympathy for my neighbors Bill & Caroline Minor who own the store Sport's Haven and my neighbors on the second floor. We all live there year round with daily activity. We are more than one person and currently 5 parking spaces is not enough for us all. Doreen has 5 parking spots and for the convenience of the year round residents, I plead for those spaces to remain.

I I would also urge the new owners of the Educomp building to adhere to a horseshoe shape entrance to rear parking as it goes with the flow of the current traffic.

I was unable to log into the zoom meeting. I apologize for the late comment on this DRI and I thank you and the commission for all your work in maintaining the the integrity of our island.

Thank you for reading.

sincerely
