To: Alex Elvin <elvin@mvcommission.org>;

Mr. Elvin: this is Jimmy Elliott at 97 Eastchop Drive across the street neighbors of Lisa and Eunu Chun. I am writing in support of the Chun's plans which I have carefully reviewed. I am confident that they embrace the history and traditions that make Oak Bluffs and specifically Eastchop a very special place. Patti and I finished our new house three years ago after many discussions with Bud Knight regarding the history of the property and how we were trying to preserve it. I know Lisa and Eunu share our passion and I strongly believe their plans will improve and enhance our town and community. Best regards, Jimmy Elliott
