To: Alex Elvin <elvin@mvcommission.org>;

Dear Mr. Elvin,

I am writing in support of the proposed renovation of Shearer Cottage. My family has been a neighbor of Shearer Cottage since 1944 when my grandmother, Luella Barnett Coleman, purchased 12 Myrtle Ave in Oak Bluffs and later purchased adjoining lots on Myrtle to Glenwood Ave.

Shearer Cottage is an icon in our historic community and yet the owners have always recognized and demonstrated their responsibility of being a good neighbor. I know that we share the values of privacy, family, and legacy and I am confident that they will not change with the expansion of Shearer Cottage.

I look forward to Shearer Cottage maintaining its status as a place that this quiet residential neighborhood can point to with pride and will continue to support.

Yours truly,

Jocelyn
