To: Alex Elvin <elvin@mvcommission.org>;

Hi Sir, I'm one of a larger group of physicians from Burlington, Vermont who have stayed at Shearer Cottage for 40 consecutive years! First Mrs Jackson and now Mrs Van Allen have been great hosts over the many years. Shearer Cottage is one of my favorite places in the world. The plans are significant and I support them, hoping the facade, wrap around porches and red color stay. Thanks, Dr. John King
