RE: Letter of Consent for Request to Rebuild and Expand House at 19 Mill Square Road

To Whom It May Concern:

We, Bill & Joan Damora, are the legal owners of property located at 17 Mill Square Road with the following legal description: Lot 20, Block 3. We are an adjoining property to the construction project proposed by Abby and Chris Sages Map 3, Parcel 19. The Sages have provided us with a copy of the proposed demolition and construction of a new house at 19 Mill Square Road and we have reviewed same. Based on documents received, we believe the project will be an improvement to the property and enhance the neighborhood.

Therefore we have NO OBJECTION to granting our consent for the aforementioned construction project.
