Dear commissioners,

The land bank commission has received notice of an application filed by the Island Autism Group, Inc. (IAG) for various buildings and dwelling units on its Lamberts Cove Road land. The IAG property abuts the land bank's Eachpoquassit Hill Preserve.

The 2020 purchase of the old Child Farm was a cooperative acquisition between the land bank and AIG and, as a result, the land bank has been a part of the planning for this project since its early stages. Please be advised that the land bank is supportive of the IAG proposal.

Thank you.

Very truly yours,

James Lengyel
Executive Director
