

10-12 Cromwell, Mansion House

Geoghan Coogan <cooganlaw@gmail.com>

Tue 6/1/2021 11:38 AM

To: Alex Elvin <elvin@mvcommission.org>; Lucy Morrison <morrison@mvcommission.org>;

Alex,

Please add these for the discussion on the Mansion House parking for Thursday. Thank you

1. Mansion House will explore electric charging station brands and styles and commit to having one, or more, depending on costs, installed within 18 months of the completion of the lot. (will submit information to LUPC for review if necessary prior to install)
2. The surface of the parking lot will be pea stone or other permeable substance that reduces dust.
3. Any new lighting(as required by code) will be dark sky compliant LED and on timers or light sensors
4. After one year of use, we will revisit the design and plant additional trees on empty space. (with tree types submitted to LUPC for review prior to planting)
5. We will continue to encourage guests to leave cars on the mainland and utilize the VTA
