Thank you. Stamps are standard now for drawings and plans reviewed by the MVC.

Hi Rich

I did stamp those

I have been working for Sam on all the commercial projects that require a Construction Control over there.

Curious as to why you would require a stamp for something like this?

Good Afternoon:

Attached please find two elevation drawings the MVC has received from a developer in Tisbury, Sam Dunn. I'm writing to confirm the stamp on these drawings is yours and that you authorized the use of your stamp for these drawings and for updates to these drawings.

Thank you.

Respectfully:
