Hi All,

Sorry I couldn't get this to you last week, but we wanted our surveyor to update the parking/circulation plan.

We will need to see a circulation plan as to how the vehicles get in and out of the parking lot.

See attached plan which shows the direction of travel in and around the site around the original and approved fire access road.

We will need to know how many parking spaces they currently have and how many are proposed if any.

The parking lot as currently set up only has 8 identified parking spots with curb stops and all other parking is haphazard in unmarked spots. The attached plan has 20 standard parking spaces and 1 accessible parking space.

Whether that be an increase or decrease, the total number of staff, the total number of attendees (children).

Currently:

16 staff members at the 45 Tashmoo Ave/286 Main Street campus and 2 staff members at 15A Church Street in Tisbury. Total: 18

93 students at the 45 Tashmoo Ave/286 Main Street campus and 15 students at 15A Church Street in Tisbury. Total: 108

Proposed:

21 staff members at 45 Tashmoo Ave/286 Main Street campus. No longer leasing Church Street.

137 students at 45 Tashmoo Ave/286 Main Street campus.

Designated drop-off/pick-up areas if any, school bus drop-off/pick-up areas if any, how many drop-offs/pick-ups occur.

There are no school bus drop-offs at the Montessori School.

The designated pick up and drop off area is the access road and loop. The school uses staggered pick up and drop off times to moderate the flow of traffic in the morning and afternoon.

Morning Drop Off Windows: 7:30, 8:15, and 8:30.

After Pick Up Windows: 12:00, 2:15, 2:30, 4:00.

See attached time lapse videos. The student drop off video covers the 8:15 & 8:30 drop off windows which are the busiest (15 to 20 cars per window), and the student pick up video covers the 2:15 & 2:30 pick up windows which are the busiest (15 to 20 cars per window).

After hours events that take place at the school.

The school uses Zoom for many events for ease of parents and staff, to reduce traffic at the site during non-school hours, and to be more carbon emissions conscious. Here is a list of all the school events:

Zoom:

New school year orientation  
Parent-Teacher conferences (3 times/year)  
Parent education evenings

In-person:

Summer picnic (5-7 pm, once a year in August)  
Popsicles on the playground (3-4 pm, once a year in August)  
Fun Fridays (2:30-4pm 3x/year in fall, winter & spring)  
Special visitor days (twice a year, staggered from 9-11)

Bike/pedestrian access, etc.

The campus is bike and pedestrian friendly due to its proximity to Main Street and Franklin Street which provide sidewalk access up to Tashmoo Avenue. There is also bike rack on site.
