To MV Commissioners and Planning Board Members.

My name is Jennifer Abreu and I live at 1 Teaberry Circle in Edgartown. I bought this home four years ago after spending much of my childhood growing up in this neighborhood.

I am writing in support of the project that is being proposed by the Hospital and Navigator on the lot next to our neighborhood. I think that it will have very little impact on our neighborhood in terms of disruption and it will have a big benefit to the Island to keep a nursing home here. Plus, there needs to be more housing for people who work on the Island. As a Mom of 3 kids, I want to be sure that when we go to the Hospital that there are nurses and medical technologists to give us the care and tests that we need.
