To: Alex Elvin <elvin@mvcommission.org>;

Alex, I'm not sure if this would help my case, but the flagpole was situated to be visible from the parking side as well. One of the commissioners noted that it appeared to be shared by the library. That sense of a precinct is what we were looking for.

Best,
Ned

Subject: OBTH Flagpole Stake

Alex,

The contractor has placed a stake where the flagpole was to have been located.

Best regards,

Ned
