Hi,

I don't really have an answer to your question but I do know I have never seen a permit for weddings, aside from the Town permitting and limiting the number of weddings permissible at the lighthouse. Aside from the Vanderhoop Homestead and Outermost there isn't any other properties in town that have non family/friends weddings. I know that the Outermost Inn historically has always had some weddings on the property and if I'm not wrong, the inn/restaurant is not open when a wedding is booked.

Hi Sophia,

Hope you are doing well. The MVC is reviewing the proposal for the Outermost Inn, which includes various changes to the property since the MVC decision in 1991, including expanded seating and parking. The question of weddings and other events came up at the LUPC meeting on Monday, and the applicant stated that events would not require any permits from the town. I looked through the bylaws, but it wasn't clear to me whether this is the case. Could you clarify what permits if any would be required for weddings or other events in the rural residential district?

Thanks,

Alex
