To: Alex Elvin <elvin@mvcommission.org>;

Dear MV Commission, I am writing to oppose the plastic field for the High School. My daughter played soccer for four years and was one of the captain's on the team.

I think it is terrible to not be taking into account the health of our young people. It is also a terrible position to put a parent in.

I vote that you oppose this issue. Please think deeply about the health and well being of our community.

Thank you,

Phyllis Vecchia
