Martha’s Vineyard Commission
PO Box 1447
Oak Bluffs, MA 02557

Dear Commissioners:

Attached is a referral for a project under review by the Tisbury Conservation Commission. We received an application from SHM Vineyard Haven LCC for work at the former Maciel Marine facilities located at 100 Lagoon Pond Road.

The subject property was a DRI in the late 1980’s, DRI # 258. In addition to the previous DRI designation, the redevelopment of the facility has the potential to result in an increase in use or intensity of use of the piers and other boatyard facilities.

The Commission opened the public hearing at our meeting on January 18, 2022 and will continue our hearings until the proposal is reviewed and conditioned by the MV Commission.

Please call me or Laura if you need any additional information.

For the Commission,

Jane M. Varkonda
Conservation Agent
Town of Tisbury
