Dear Alex,

I have reviewed the latest correspondence from Ms. Chittick regarding the Hob Knob and specifically that the Apartment Manager's room is being rented as a hotel room. As I have repeatedly stated at the public hearings we intend to ask the Edgartown Zoning Board of Appeals to remove that restriction as part of the amended Special Permit. Should the Zoning Board refuse to amend that condition then that room would have to convert to a Manager's Apartment and not be rented.

On a separate note, I am not sure what Ms. Chittick is referring to when she states it involves two town officials and names me as one of the "officials", however, I feel compelled to defend myself as I have not taken any action in this matter that has not been ethical and legal. Ms. Chittick's unfounded allegations are bordering on defamation and I will not stand by while she attacks my reputation.

Thank you for your attention to this matter.
