RE: 75 Main Street Additional Flow

Dear Chairman Rogers and the Tisbury Select Board,

The Sewer Advisory Board voted (4Y-1N-1A) in favor of allocating 330 (three hundred and thirty) additional gallons to the property at 75 Main Street for a total of 2,310 (two thousand, three hundred and ten) gallons with a sunset date of 02/22/22. In the event there are any changes in use of the individual units of this property, the tenant shall submit an application and report back to the Sewer Advisory Board for further flow discussions.

Sincerely Yours,

Christina Colarusso,
Tisbury Sewer Advisory Board, Chair
