Rich,

This is just to let you know Sam did complete the changes/repairs that he agreed to do. These included:

1. Repairing the crack in the rear wall abutting our properties
2. Adding an additional slat ion the outdoor shower at 26 Union Ct.
3. Adding a diverted on the roof to deflect the run off onto the stone bank property.

These were all done per Sam's and our agreement. There are no other outstanding items. I may have comments on other parts of the project, but that's a different topic.

Peter
