Dear MVC Commissioners,

This is a letter of support for Northern Pines Farm Subdivision dri 740.
I support John and Janet Packer's plan to subdivide their land. I have known them for more than 40 years.

This land is what it is because of the Packers.

They have proven well to be good care takers of it. We have every confidence they will continue to do so for their children!!

Please support this subdivision.
Sincerely,
Cecily Stibitz and David Pizzano
