Dear Mr. Turner,

I am writing to inform you that the Transportation staff of the Martha's Vineyard Commission has reviewed the grading and construction design plans for the western entrance on Upper Main Street to the Stop & Shop Expansion Project.

As stated in the written decision (January 11, 2018), the applicant shall redesign the western entrance on Upper Main Street and have that design approved by the Commission prior to the issuance of the Building Permit. The applicant is in compliance with this submission and can proceed to the Land Use Planning Committee (LUPC).

Sincerely,

Michael Mauro, Transportation Program Manager
