Subject: Harborview Hotel

To whom it may concern, My husband and I have been coming to Edgartown since 1966. We were very fortunate to buy 76 Fuller St and 74 Fuller St in 2002. We felt very fortunate to be in town but also a little out of town to escape the noise and hustle and bustle. The Harborview has been a good neighbor until recently when they installed a much larger bar/ restaurant outside by the pool. Now I hear they are enlarging the spa for the second time under this ownership. We are very concerned that this spa will not be just for residents of the hotel. Instead will attract a lot of traffic coming and going into the hotel. We are very opposed to this project. Sylvia and Joseph Frelinghuysen
