To: Whom it May Concern

Re: Martha's Vineyard Hospital (MVH) / Navigator Homes of Martha's Vineyard, Inc. (NHMV) Project,
490 Edgartown-Vineyard Haven Road – Edgartown, MA

The Martha's Vineyard Transit Authority (VTA) is aware of the above referenced project. The project is located off of the Edgartown-Vineyard Haven Road, which is serviced by VTA Route 1. Route 1 is a year-round route, with 30 minute headways during the off-season and 20 minute headways during the in-season during peak travel times. This route serves the most residential neighborhoods on the Island, including housing projects in Tisbury and Oak Bluffs, as well as MV Community Services, the Y, Skate Park and the High School.

The VTA will work with MVH and NHMV to provide project residents with enhanced access to the VTA system. Although modification of existing route(s) on a full time basis is unlikely, some means of service similar to those at Woodside Village and Hillside Village may be possible.

We look forward to contributing to this project as it develops, and will continue to work to solve the Islands transportation needs.

Best Regards,
