Dear Jo-ann,

I am writing to request that the MVC postpone its consideration of the proposed Aquinnah wind energy bylaw's conformance to the guidelines of the Town of Aquinnah DCPC, by both the full Commission and the Subcommittee it appointed. The objective is to allow the Town of Aquinnah time to request a reconsideration, at one time, of the bylaw's conformance to all applicable DCPC's in Town.

In particular, we are requesting postponement of the Commission's consideration of this subject scheduled for April 1, 2010. We propose to speak to you about rescheduling, within 10 days.

This request is coming to you from myself, as Acting Chair of the Aquinnah Planning Board and Planning Board Plan Review Committee - and the person who first presented the Aquinnah wind bylaw to the Commission, a while back, as well as from Camille Rose, one of Aquinnah's two representatives to the Commission.

Kathy Newman, the Town's other representative to the Commission and the chair of the Subcommittee assigned by the Commission to review the subject is out of state for a few days.

Sincerely,

Carlos Montoya
