Dear commissioners,

I am writing, on behalf of the land bank commission, regarding the proposal to designate as a special way the Road to Jericho Way, also known as Manter's Path.

Such designation is a critical protection for those old ways that are integral to trail planning. A few other ways in this part of West Tisbury have been so designated and it is important to bring the Road to Jericho Way under this umbrella.

Thank you.

Yours very truly,

James Lengyel
