RE: Edgartown Annual Town Meeting, April 12, 2011, Article #39, amendment to
Edgartown Zoning By-Laws Article XIV. 14.1 Coastal District.

Dear Mark,

Enclosed please find a certified vote from the April 12, 2011, Edgartown Annual Town Meeting on Article 39 which created an additional subsection of the Edgartown Coastal District regulations. Additionally, the Planning Board minutes for the public hearing on the zoning by-law change are included. The zoning by-law amendment was approved by the Edgartown voters, 214 in favor and 10 opposed.

Please forward the additional Coastal District subsection to the appropriate MV Commission staff person responsible for overseeing the Coastal District regulations.

I would be happy to answer any questions related to subsection 14.1.e.10. If it is necessary to meet directly, I will be on vacation between July 29 and August 7, 2011.

Best regards,

Matt Poole
