RE: Special Ways DCPC

Dear Commissioners:

At a public meeting on September 18, 2007, the Planning Board unanimously agreed to clarify the boundary description for the DCPC nomination of Special Ways in Edgartown to include portions of two paths traveled by vehicles to be consistent with the areas illustrated on the map the Board submitted with the original nomination. Please correct the Board's nomination application as follows:

Pennywise Path - add the following (underlined) to the existing description:

"...Map 21 Lot 148.1, continuing easterly then northeasterly and ending at Edgartown-Vineyard Haven Road at the northeast corner of Edgartown Assessors' Map 21 Lot 36.33."

Watcha Path - add the following (underlined) to the existing description:

"Begins at the northeast point of Edgartown Assessors' Map 25 Lot 4, west of the intersection of Edgartown-West Tisbury Road and Oyster-Watcha Road, extending westerly some 360 feet along a segment formerly known as Mill Path, then southwesterly to the northeast point of Edgartown Assessors' Map 40 Lot 4.2, continuing southwesterly to the West Tisbury town line at the southern boundary of Edgartown Assessors' Map 40 Lot 6."

Thank you for your consideration of this application.

Sincerely,

Georgiana Greenough
Edgartown Planning Board Assistant
