Michael Wild, Executive Director
Martha's Vineyard Commission
New York Ave. P.O. Box 1447
Oak Bluffs, MA 02557

Dear Mr. Wild:

Dr. Bruce and Diana Lewis have received the "Order of Conditions" dated November 6, 1980, issued by the Chilmark Conservation Commission on their "Notice of Intentions" to construct shore protection on their property abutting Menemsha Creek.

They expressed deep disappointment in the action of the Conservation Commission which practically nullifies a measure thought to be in the best interest of the owners' of the property and the community.

Since it is not practical to proceed further with this matter, Dr. and Mrs. Lewis has requested me to convey to the Martha's Vineyard Commission their sentiment and to withdraw their "Notice of Intent" and to cancel any further scheduled public hearing.

Sincerely,

George L. Wey, P.E.
