Subject: DRI 504, Anderson/Wintertide Building

Ken,

I am writing to inform you that on September 1, 2005 the Martha's Vineyard Commission voted that the proposal to convert the attic of the Anderson/Wintertide/ Harness Shops Building (Map 9-C Lot 1) to a single 2-Bedroom apartment was not a substantial change to the approval of DRI 504 and thus does not require another Public Hearing as a Development of Regional Impact.

If you have any questions or if there is anything else I can help you with please do not hesitate to let me know and thank you for your participation.

Sincerely,

A handwritten signature in black ink that reads "Paul Foley". The signature is written in a cursive style with a large, stylized "P" and "F".
