Just to let the MV Commission know that my wife and I are in favor of the building of the proposed fishing pier in OAK Bluffs. The Pros far outweigh the Cons which have been so well presented in the MV Times. We strongly feel that the project is right as well as the location. We have the opportunity **now** to do something for the Island. Something that will be cherished by young and old for years to come. **LET'S DO IT!**

Sincerely,  
Jim and Joyce Cornwell
