Dear Commissioners,

The Edgartown Affordable Housing Committee has been following the development of the expansion of Stop & Shop on Main Street in Edgartown and would like to applaud the efforts accomplished on this project. The Committee is encouraged by Stop & Shop's efforts, in the past, to alleviate housing issues for their employees. The Committee is curious as to the details of the housing plan for the enlargement of Stop & Shop's workforce and if there are any future plans to facilitate permanent housing solutions for years to come.

The Affordable Housing Committee looks forward to learning more about this project in the near future. Thank you for your continued efforts.

Sincerely,

Arielle Hayes
Administrative Assistant
